2010 All-Hazards Incident Management Team Training and Education Conference

Denver, Colorado

December 7th-9th, 2010

Hyatt Regency at the
Denver Convention
Center

AHIMT Training and Education Conference

The 2010 All-Hazards Incident Management Team Training and Education Conference (AHIMT TEC) is a grass roots, national effort developed to provide policy and decision makers, AHIMT members, training coordinators, and team managers concise and detailed information regarding the continuing development of the All-Hazards Incident Management Team Program and the best practices and lessons learned from their experiences.

The conference schedule and focus is designed for personnel involved in the All-Hazards Incident Management Team program. Personnel who should attend include:

- AHIMT Program Managers
- AHIMT Points of Contact
- AHIMT Training Coordinators
- AHIMT Incident team members
- Federal, State and local Agency Administrators
- AHIMT members with coordination or training responsibility
